Vendor comments:

We've loved living in this local area and in our home. From the brilliant access Shirley has to major roads, to the simple pleasure of walking to local amenities & parks – we've found everything we needed here, and since Parkgate the selection of shops, eateries & restaurants is just increasing! At home, the large garden space has been amazing for lazy summer evenings, hectic kids parties and extended family BBQs. The delightfully, safe and low-maintenance garden has been perfect and really enhanced our family time at home. Inside, the large Lounge & Dining rooms have been well used for entertaining large groups or just for a cosy Christmas at home! Most of all, we just love the natural light we get all day long, especially in the upstairs rooms.
